

NZ Analytics Accounts

Accounts with the Design Analytics role in the Network Zone are coordinated by the Alma/Primo Advisory Committee. All accounts are individual accounts; no generic or group accounts for Alma Analytics in the NZ will be created for library staff.

To request an account, please complete the [NZ Analytics Account Agreement Form](#) where you agree to follow the rules regarding sensitive information (i.e. [PII](#) and Acquisitions data) and the use of shared folders in Analytics. APAC will be copied on all requests for access and WRLC will provision your account and provide your credentials for logging in.
