Requesting in the Shared Collections Facility Alma

- Log into the Shared Collections Facility Alma (a link will have been given to you by WRLC)
- Once you are logged in, search for the item you wish to request. You can limit your search to only your library's items by creating an advanced search of **Physical Items** that have a **Provenance Code** of **Property of [Affiliate Library]**

The screenshot shows the Alma search interface. The top navigation bar includes the Alma logo and a search bar. The search bar contains the text 'Physical items' and 'All'. Below the search bar, there are filters for 'Physical items', 'Zone: Institution', 'Network', and 'Community'. The search criteria are set to 'Physical item: Provenance Code' equals 'Property of National Geographic Society'. There are buttons for 'Clear form' and 'Search'.

- Once you find the item you wish to request, click the ellipsis (...) button, then choose Request

The screenshot shows the Alma search results page. The header indicates 'Physical Items (1 - 20 of 1,570)' and a filter 'where (Provenance Code equals "Property of National Geographic Society")'. There is a 'Save Query' button. The results are sorted by 'Publication Date - Asc' and 'Secondary Sort by: Rank'. The first result is 'Longman's new atlas, political and physical, for the use of schools and private persons. Engraved and lithographed by Edward Stanford.' The details for this item are displayed, including the call number, item ID, holdings ID, and MMS ID. A dropdown menu is open for the first result, showing options: 'Request', 'Resource sharing request', 'Toggle Missing Status', 'Work Order', 'Holdings', 'Display in Discovery', and 'Items'.

- Then select the following values for your request
 - Request Type = **Patron Physical Item Request**
 - Requester = **search and select your name**
 - Pickup Institution = **Shared Collections Facility**
 - Pickup At = **Personal Delivery > Office Delivery**
