

Procedure: Update the Standard Opening Hours

The following procedure assumes that you have the role of Fulfillment Administrator (or General Administrator) and you have selected a valid Library from the top of the Configuration page.

Go To: Alma --> Configuration --> Fulfillment --> Library Management --> Opening Hours

Configuring: **WRLC - Shared Collections Facility** ▾

Library Selected

A screenshot of the Alma Configuration sidebar menu. The menu is dark grey with a purple sidebar on the left. The sidebar contains four main categories: 'Alma Production' (with a star icon), 'Discovery' (with a magnifying glass icon), 'Fulfillment' (with a gear icon), and 'General' (with a gear icon). The 'Fulfillment' category is currently selected. The main menu lists the following options under 'Fulfillment': 'Library Management' (with a sub-menu), 'Locations', 'Physical Fulfillment', and 'Digital Fulfillment'. The 'Library Management' sub-menu is open, showing 'Library Details', 'Opening Hours' (highlighted with a green circle), 'Relationships', 'Circulation Desks', and 'Temporary Item Creation Rules'. The 'Locations' sub-menu shows 'Physical Locations'. The 'Physical Fulfillment' sub-menu shows 'Fulfillment Units', 'Terms of Use and Policies', 'Item Policy', and 'Advanced Policy Configuration'. The 'Digital Fulfillment' sub-menu shows 'Digitization Departments'.

Find the calendar entries of type "Standard opening hours". (You can arrange the record types alphabetically by clicking on the Record type column header.) Select the ellipsis at the right of the first entry.
