The screenshot shows the top navigation bar of the National Geographic AtlasSearch website. On the left is the National Geographic logo. In the center, there are links for 'LIBRARY SEARCH', 'COLLECTION DISCOVERY', and 'NGS LIBRARY'. On the right, there are icons for a search bar, a user profile, and a 'Sign in' link (which is underlined in red). Below the navigation bar is a large search input field with the placeholder text 'Search anything'. To the right of the search field are icons for voice search and a magnifying glass, and the text 'ADVANCED SEARCH'. Below the search field are two dropdown menus: 'that contain my query words' and 'anywhere in the record'. The main content area is divided into three sections: 'Welcome to our NGS AtlasSearch' with a description of the service, 'Where can I get help?' with a link to 'Ask a librarian', and 'About Us' with contact information for the National Geographic Society.
